I'm sittin' in a magic chair
Without Mary and I don't care
So far, so good is what I hear
Nothin' slows me down my dear

Suckin' on it what a shame
Another, motherfucker drained
That's what you get I warned you all
Just add it up to my toll

I get a kick outta this
Watch you ball like a bitch
You'll get it, you'll get it
You'll get yours motherfucker ain't no lie

I wanna break you
Get off the rocket ride man
I can't even fake it, I'll say it again
You're on a downward slide my friend

So I hear they call it killin' the fly
I can't hear it, I might be blind
That's what you get, I warned you all
Just add it up to my toll

I get a kick outta this
Watch you ball like a bitch
You'll get it, you'll get it
You'll get yours motherfucker ain't no lie

I wanna break you
Get off the rocket ride man
I can't even fake it, I'll say it again
You're on a downward slide my friend

I wanna break you
Get off the rocket ride man
I can't even fake it, I'll say it again
You're on a downward slide

I get a kick outta this
Watch you ball like a bitch

You'll get it, you'll get it
You'll get yours motherfucker ain't no

I wanna break you
Get off the rocket ride man
I can't even fake it, I'll say it again
You're on a downward slide my friend

I wanna break you
Get off the rocket ride man
I can't even fake it, I'll say it again
You're on a downward slide my friend
