Take a look in my mind, justify
Hell, I might even sympathize
Why must you fuck with these things in my head
For so long that I feel I could break?

Never forget your lies, hypocrisize
A five million might change your mind
Why must you fuck with these things in my head
For so long that I feel I could break?

So c'mon, c'mon, c'mon get up, get up
So c'mon, c'mon, c'mon get up, get up

So c'mon, c'mon, c'mon get up, get up
South Texas deathride you mother fuck
C'mon, c'mon, c'mon get up, get up
South Texas man, I'm livin' it up

So c'mon, c'mon, c'mon get up, get up
South Texas deathride you mother fuck
C'mon, c'mon, c'mon get up, get up
So c'mon

So what if I was your guide? South Texas deathride
Like I said, I might sympathize
Why must you fuck with these things I believe
Man it's guilt by association?

What if I was your guide? South Texas deathride
Like I said, I might sympathize
Why must you fuck with these things I believe
Man it's guilt by association?

So c'mon, c'mon, c'mon get up, get up
So c'mon, c'mon, c'mon get up, get up

So c'mon, c'mon, c'mon get up, get up
South Texas deathride, you mother fuck
C'mon, c'mon, c'mon get up, get up
South Texas man, I'm livin' it up

So c'mon, c'mon, c'mon get up, get up

South Texas deathride you mother fuck
C'mon, c'mon, c'mon get up, get up
So c'mon

Why must you fuck with these things in my head
For so long that I feel I could break?

So c'mon, c'mon, c'mon get up, get up
So c'mon, c'mon, c'mon get up, get up
So c'mon, c'mon, c'mon get up, get up
So c'mon, c'mon, c'mon get up, get up

C'mon, c'mon, c'mon get up, get up
South Texas deathride, you mother fuck
C'mon, c'mon, c'mon get up, get up
South Texas man I'm livin' it up

C'mon, c'mon, c'mon get up, get up
South Texas deathride you mother fuck
C'mon, c'mon, c'mon get up, get up
So c'mon

So c'mon, c'mon, c'mon get up, get up
South Texas deathride, you mother fuck
So c'mon, c'mon, c'mon get up, get up
South Texas man I'm livin' it up

So c'mon, c'mon, c'mon get up, get up
South Texas deathride you mother fuck
So c'mon, c'mon, c'mon get up, get up
So c'mon
