Well if you ever go down to Huntington
There is a girl there that is named Eryn
She's got ADD, but isn't bored with me
"Atleast not yet." she says

[Bridge]

With a 'zine inbetween her Bohemian jeans, half sober
She's a dog in heat, and proud of that cliché', ok--ok,
ok, ok
She's a can of mixed nuts with a damn nice but, it's
over
But more and more she tries to make me stay, ok--ok,
ok, ok
(2nd time: But more and more she makes me wanna
stay, ok--ok, ok, ok)

[Chorus]

Eryn Smith, I don't want you to hate me
You should know you educate me
You should know you make me wanna say....you're
bitchin!
And I just want you to hold me, though I know we'll
leave here lonely
Cuz in the end it's meant to be that way

Yeah-e-yah, ooh

So she hacks her hair shorter on the left side
Cuz if you called her cute, she'd be horrified
She says, "You're gonna eat popcorn in the dark and
pay
Ten bucks to watch your life one day."

[Bridge]

[Chorus]

Let's go!

You should know, I think so much of you
You should think, I don't think of you much....but that's
not true!

You're the dimple in my cheeks that I can't spit out
You're the smile in my eyes that I can't cry out
The word "subtle" is not a word that goes with...Eryn
Smith!

[Chorus]

Eryn Smith...
