This is how I feel like
Is like somebody tight me up
Make me wake up late
Push me over board
Watch me... girl I am drowning
I am drowning

I can't even sleep tonight
I can't even eat... love feel like without you next to me
Got me picking at my phone
Hoping that you are close
Tell em that you are coming home
Baby that anticipation is driving me crazy
Why you want to tease me
Girls this ain't easy
Now let me tell you how it feels like

Is like somebody tight me up
Make me wake up late
Push me over board
Watch me... girl I am drowning
I am drowning

... like a puzzle
I am being incomplete
Cause you got the missing piece I need
Girl you wanna cuddle girl whatever
Whatever you like you got me
Got me thinking at my phone
Hoping that you call tell me you are coming home
Baby that anticipation is driving me crazy
And now you wanna tease me girl this ain't easy
Let me tell you how I feel

Chorus
Is like somebody tight me up
Make me wake up late
Push me over board
Watch me... girl I am drowning
I am drowning

Girl I can feel your body against my body
Just when you are close to me show you how it
supposed to be
Is like I am drowning now somebody help me out
Somebody help me cause I feel like I am drowning

Chorus

Is like somebody tight me up
Make me wake up late
Push me over board
Watch me... girl I am drowning
I am drowning
