I guess what they say you never miss something til it's
gone (it's true)
That's why I'm sitting here writing this song cause I
can't get over you
I know I messed up
Didn't show you much love
Got myself caught up with them other chicks
Doing things that I had no business with
Can't bare it no more so I gotta tell you this

Her lovin ain't
As good as yours
I'm lookin for
A shorty so much more
Someone that I
Can share my secrets with
Whos down to ride
And knows what good lovin is
I used to say
I was down for you
Never leave your side
But look what I've come to do
I appologize
I never ment to make you cry
I know it's wrong but this is my alibi

She ain't you
You know that she could never be you cause
She ain't you
Baby girl you that it's true that
She ain't you
It's becomming so clear to me baby that
She ain't you
You know that she could never be you baby

Looking back
I don't kno what I left you for
Her jeans don't fit as good as yours
Her kissing don't feel right touching ain't quite like you
no ooh no
Matter fact

She ain't got nothin on you
Matter fact
I'm leaving her alone to come back to you (come back
to you, back to you)
Oh cause I need you to understand baby

Her lovin ain't
As good as yours
I'm lookin for
A shorty so much more
Someone that I
Can share my secrets with
Whos down to ride
And knows what good lovin is
I used to say
That I was down for you
Never leave your side
And look what I've come to do
I appologize
I never ment to make you cry
I know it's wrong but this is my alibi

She ain't you
You know that she could never be you just can't
She ain't you
Baby girl you that it's true oh yeah
She ain't you
It's becomming so clear to me baby that she can't
She ain't you
She could never last a day in your shoes ooh

(Yea she just don't compare)

Cuase she ain't you
Oh oh yeah
There's nothin she can do
That compares to you oh
Cause she ain't you

She ain't you
Baby I looked around and found that no one else can
be you
She ain't you
You know that every word I say is true and baby she
ain't you
She ain't you
She don't feel like you she don't kiss like you she don't
touch like you
She ain't you
You know that she can never she can never be you
