[Ghostface Killah] Somebody said jelly just walked in the room Must be my night, cuz somethin told me to bring my spoon Got bread, and honey love, excuse my goons Got wheels, but I wish you could ride my broom Your walk is killin em softly, your ass is thick Bellydancing all night with your massive hips You make me wanna scratch and sniff If I go down low, I gotta get it [Noel Gourdin] Look at it, ooh, it's remarkable (yes it is, yes it is) The way it moves, it's the star of the show Ooh, it's incredible, the way you make it shake like that Tell me, how do you do it? Make it bounce like a 64 Cadillac Owwww [Chorus: Noel Gourdin] Do I gotta clap for that, ooh, cuz it's remarkable Make you wanna clap for that, oww, it's so beautiful Whooa, do I gotta clap for that [Noel Gourdin] Said it must be jelly, baby cuz cake don't shake like that Gotta get it on the morning, be like wow, just like the cat on your baby fat How do you do it? The way you shake it, break it, drop it, and ya don't even hurt a thang, nooooo Cuz the way that you workin it, you make me wanna dig deep down in my pockets and give ya everythang I got [Chorus] [Ghostface Killah] How the hell did your mama, girl, push you out? With an ass like that, you were born to bounce But yo, I never rode a horse But you got that giddy up girl bustin out your shorts Your style is sexy, your drawers is lefty Wedged up, lemme pull em out, your front part lookin all pussy I'm a poo poo burgler, can't trust me Don't gimme that face like you dyin to fuck me [Hook: Ghostface Killah] Shorty got a mind that walks, I'll clap for that Shorty got a mind with ???, I'll clap for that If she got a real big ass, we smashin that Gimme that cootie girl, I'll answer that Do somethin for your fans, keep flashin that You lookin for the kid, like 'where the bastard at?' Have you pullin out your hair, raise ??? and ??? But anyways ???, that ass is fat [Chorus X2.5]
