"Take A Walk"

See the people, they are driving in their cars, driving in
their cars
Drivin' in their cars tonight
And all the people they all walkin' out of bars
Gettin' in their cars, driving in their cars tonight
And everybody's leavin', a million brakes are
screechin'
No one knows where they're going to

And I just wanna fall in love, take a walk and fall in love
And I just wanna fall in love, take a walk and fall in love
Take a walk and fall in love

See the people, they are rollin' in their cars
Cruisin in their cars, drivin' in their cars tonight
See the people, they are driving in their cars
Driving in their cars tonight
And all the people, they are takin' out their keys
Standin' at the doors, gettin' in their cars tonight
The scene is great, I'm movin'
The radio was groovin' and everybody likes the same
songs

And I just wanna fall in love, take a walk and fall in love
And I just wanna fall in love, take a walk and fall in love
Take a walk and fall in love, take a walk and fall in love

Hey, hey, hey, yea, yea
I'm dreamin' about you, I'm dreamin' about you
When layin in the sun with sunblock on (and on and on
and on)

And I just wanna fall in love, take a walk and fall in love
And I just wanna fall in love, take a walk and fall in love
(Let's take a walk and fall in love)
And I just wanna fall in love, take a walk and fall in love
And I just wanna fall in love, take a walk and fall in love
Take a walk and fall in love, take a walk and fall in love
