Such a long time you waited here
Your rhythms were soft but sincere
The curtain was red just like your wine
You're off your head in the summer time

Ain't it so easy so forget where you're going
End up drowning in a dangerous sea
Oh because it's all free
Oh because it's all free
And ain't it so easy to forget how you're flowing
End up drowning in a dangerous sea
Baby cause it's all free
Baby cause it's all you're..

Pushing a snake up a hill
You lent money off Jack to pay off Jill
You found the right door but you lost the right key
You said I don't like the drugs but the drugs like me

Ain't it so easy so forget where you're going,
End up drowning in a dangerous sea
Baby cause it's all free
Oh maybe cause it's all just so free
And ain't it so easy to forget how you're flowing
End up falling on a symphony
Baby cause it's all free
Baby cause it's all in your mind

Body and soul
The only thing you truly own
You destroy with something that you don't

A gift the very product made
By chained up slaves
When misery is easily just thrown away
You hear that trumpet go bah bah bah bah...

Ain't it so easy so forget where you're going,
End up drowning in a dangerous sea
Baby cause it's all free
Baby cause it's all just do free

And ain't it so easy to forget how you're flowing
End up falling on a symphony
Baby cause it's all free
Baby cause it's all.
