Running like hell from a cheap motel
And I don't care where, and I don't know much
But I do know why... gotta feel that high.
Gotta feel that high.

Wherever I go, whatever it takes.
I won't slow down til I feel that way.
I'm a desperate man... that's what I am.
That's what I am.

Always on my mind.
See it in my eyes.
Won't let me sleep.
When I lay down at night.
I'm addicted to the thought of you.
Can't say goodbye.
That's what it's like chasing stardust.

A dream like this ain't fading away.
I can almost taste it rushing through my veins
It feels far away, so far away.

Always on my mind.
See it in my eyes.
Won't let me sleep.
When I lay down at night.
I'm addicted to the thought of you.
Can't say goodbye.
That's what it's like chasing stardust.

Always on my mind.
See it in my eyes.
Won't let me sleep.
When I lay down at night.
I'm addicted to the thought of you.
Can't say goodbye.
That's what it's like chasing stardust.
