[Intro: Movie Sample]

Beware the beast man for he is the devil's pawn  
Alone among God's primates, he kills for sport or lust  
greed  
Today he will murder his brother to possess his  
brother's land  
Let him not breed in great numbers  
for he will make a desert of his home and yours  
Shun him for he is the avenger of death

[Chorus: Timbo King]

Yo, Braveheart, verbal courage, battle the seminar  
Royal Fam Legacy, watch us travel far  
Positive energy, always corrects errors, Royal Fam rulin  
this  
Now and forever, what  
Play your part braveheart, play your part braveheart  
Play your part braveheart, play your part braveheart

[Timbo King - Royal Fam]

Orotorical, niggaz is metaphorical  
My editorial breaks down your monuments historical  
Geologists studying land, using the earth's crust  
Measurements, eight elements, atomic weight plus  
density  
Hi-Techs, science, thrustal gravity  
Revolve around my oro, I'm the soul that keeps  
spinning, what  
Supernova, black quasar, my mental radar picks up  
Frequencies way beyond the earth's equator  
Forver glow, electro, magnetic force field  
Thoughts build, we bomb for real, 36 still exists  
Golden fist, your caught up in the devil's mist  
Fire war, royal sire laws, revealing this  
Protons, electrons, atoms cause explosions  
My center of attraction, I'm the nucleus, you're frozen  
My square be complete, architectual, visual  
The sound spectrum strikes the mental then the  
physical  
My perimeter damns your diameter  
Bar codes are scanned from America to Canada  
What, from America to Canada

[Chorus]
