In your eyes,  
I see the rest of my life  
The brightest of days, the absence of rain  
When I look into your eyes

In your eyes,  
I see the woman that I love  
My dreams coming true, the beauty in you  
When I look into your eyes

In your eyes,  
I see forever so clear  
I see heaven for miles, a mother and child  
When I look into your eyes

Chorus:

Every step I take leads your way,  
And takes away my breath  
Like an angel you shine with heavenly light,  
I know i've been blessed

In your arms,  
I feel safe from harm  
The heat of the sun, the power of one  
When i'm lying in your arms

In your arms,  
I feel the warmest of hearts  
The blessings you give, the reason I live  
When i'm lying in your arms

In your arms,  
I feel the fire within  
I feel a hiding place, my saving grace  
When i'm lying in your arms

- Chorus -

You're the queen of my heart, the color of love  
You're the moon and the stars, heaven sent from

above  
God knows i'm in love

In your eyes, I see the rest of my life  
You're the brightest of days, the absence of rain  
When I look into your eyes
