nobody i'll drag me into this
stinking thoughts i know you
you won't never carry it off
even if you're kind with me

get out leave me alone
and have a nice day asshole
i know why you're a pretty cynic shit
that i can't stand anymore
so sorry about that but
i feel like you pick on me boy

get out leave me alone
and have a nice day asshole
listen and see
don't try it with me (x3)
i told you

well you been drinking a lot
and your head's going round
of course you think i'm a
paranoac silly dirty wicked boy
and you're a pain in my aah

so come on
stop
i fuck you
shut up
i'll kill you
fuck off
you always drive me crazy

get out leave me alone
and have a nice day asshole
listen and see
don't try it with me (x3)
i told you
you don't even know anything true
about my life

poison

explodes
and spurts out of our souls
