I can see you're young and pretty

I know it woulb be so easy

Any way dark lady I feel lazy

Those afternoons are confused

I don't think that you really choose

There's even one more reason to feel lazy

While you go away

While you go away

While you go away

While you go away

I could die but I could lie

I can't deal with what's in your mind

Anyway, I'm tired and I feel lazy

You know we're both lost in a maze

You're miserable, I'm so dazed

Don't you think you should feel

Suddenly lazy

lazy

lazy

While you go away

While you go away

While you go away

While you go away

Lazy, la, la, la, lazy

Lazy, la, la, la, lazy

Lazy, la, la, la, lazy

While you go away

While you go away

While you go away
