oh lord, here me please
you have to make me sober
aspirin, come on please
I don't want to suffer

I found one of my socks
under the telephone
I've never asked these bells
to ring in my home
what have I done to my hat?
I had no hat before
something like a tearing's running on my bones
It's allright now
but what an awful night
I'm almost reaching the kitchen
I'll drink water till I die (about yesterday)

yesterday was the time of lavishness
everything 'round me was only loveliness
I was the king but the night was reigning over me
so much excitement but now this pleasure's gone
without me

it's allright now
but what an awful night
I'm almost reaching the kitchen
I'll drink water till I die
I'll drink water till I die
I'll drink water till I die
aspirin, come on please
I don't want to suffer
oh lord, here me please
you have to make me sober
but I don't know what's going on there
