ai no corrida that's where i am you sent me there your dream is my command

ai no corrida that's where i am you sent me there your dream is my command

ai no corrida that's where i am you sent me there your dream is my command

ai no corrida that's where i am (that's where i am) you sent me there (you sent me there) your dream is my command

ai no corrida that's where i am (that's where i am) you sent me there (you sent me there) your dream is my command

(you and nothing else)

i hold you
i touch you
in a maze can't find my way
i ?? you
i drink you
im being served you on a tray
you see boy
this is what i go through everyday
is this the way it should feel?

ai no corrida that's where i am you sent me there just you and nothing else ai no corrida that's where i am you sent me there just you and nothing else

(you and nothing else)

before my heart saw you each day was just another day not the lonely interlude just came, then blew away you know boy that's what i go through every day is this, the way it should feel?

ai no corrida that's where i am you sent me there just you and nothing else

ai no corrida that's where i am you sent me there just you and nothing else

ai no corrida that's where i am (that's where i am) you sent me there (you sent me there) just you and nothing else
