You and me...

If i gave you my loving

would you take it

If i opened your heart

would you turn the key

'cause i knew from the start

baby we could make it

we could make it together

you and me

If i gave you my loving

would you take it

If i opened your heart

would you turn the key

'cause i knew from the start

baby we could make it

we could make it together

you and me

Yeah, you and me

you and me,

you and me,

yeah,

If i gave you my loving,

If i gave you my loving,

yeah,

you and me,

you and me,
whoa-ohoa..
If i gave you my loving

would you take it

If i opened your heart

would you turn the key
'cause i knew from the start

baby we could make it

we could make it together

you and me
If i gave you my loving

would you take it

If i opened your heart

would you turn the key

'cause i knew from the start

baby we could make it

we could make it together

you and me
whoa-ohoa..

whoa-ohoa..

whoa-ohoa.....
yeah,
gave you, gave you, g....ave,
If i gave you my loving

would you take it

If i opened your heart

would you turn the key

'cause i knew from the start

baby we could make it

we could make it together

you and me
If i gave you my loving

would you take it

If i opened your heart

would you turn the key

'cause i knew from the start

baby we could make it

we could make it together

you and me
