I can see them every day,  
they're on my wall now,  
and when the girls come out to play,  
I'm never alone now,  
Yeah i can help myself to any month,  
on any day now,  
and i convince myself that they'd pick me  
If i met them someday,

Since i met you,  
the months stopped changing  
these girls won't do...

[Chorus]  
Better than Miss January  
Fitter than Miss February  
girl,you make me hotter than July,  
whoa-whoa  
August right through to November  
you're more cool than Miss December  
you're my world now your my calendar girl,

I first saw you,  
back in May you knew my sister  
and i would bug you every day  
by taking your picture  
I convince myself  
that you're not feeling the same way  
but on a friday night in June  
you said 'throw the calendar girls away'

Since i met you  
the months stopped changing  
these girls won't do..

[Repeat Chorus]

you're much safer than the others  
girl,now i'm not caught by my mother,  
girl

[Repeat Chorus]

you're my world  
now your my calendar girl  
you're my world  
now your my calendar girl  
you're my world  
now your my calendar girl
