[Verse 1]

Only titles remember...
Then you took it away...
Broken Laws for the pleasure
It seems to be.
The more they fight we rebel
It ain't so bad

[Chorus 1]

We come Loud
LOUD!

[Verse 2]

Different kinds put together
Spoken thoughts twist of faith
Lord knows it's the keys
Hidden me!
Then there's not much to say.
It ain't so bad!

[Chorus 2]

We come
Loud
Loud, Loud

[Bridge]

I know, What it seems
Take me, Open side.
Take my breath away,
Nothing else to say.
Change the page of all
To read Freedom, Justice,
One Love, Kingdom, We Come!

[Chorus 3]

Loud
Loud, Loud
We Come
Loud
Loud, Loud
