I can't do it no more,
I gotta go, I gotta live, gotta go

I feel like I don't know you anymore,
you are so different from who you were
it's not like I no love you no more
but I can't take the blame for the past
you ca't let go.

it wasn't like I didn't like ya, you know
it wasn't like I didn't try to, you too
to understand I see myself not having you the same
it wasn't like I did it for you, you know
I really wasn't try to ignore you, but girl
I see, that you weren't meant for me.

Chorus:

I got to go, I got to go,
Can't do no more, I can't do no more,
I gotta go, I got to go
I got to go,
I can't do it no more,
I can't do it no more.

See every time you come around to give
'cause you know I gotta let you go,
but I don't know how to ..
and it's a shame ..fool of me..play with me
and I gotta know you have a ..
wonder why never been
you were not the one for me,
I don't won't no memory
About the time I've told you
You don't recognize anymore,
You changed, don't appreciate me so why ..

Chorus:

I got to go, I got to go,
Can't do no more, I can't do no more,
I think I better leave.
I gotta go, I got to go

No more, I can't do it no more,
I can't do it no more.

If ...changed up my world
I haven't done for you,
but you don't recognize What I do
see that's what ...changed up my whole
..for you, and you don't see what ..

Chorus:

I got to go, so I gotta go, I got to go,
Can't do no more, I can't do no more,
I gotta go (and I'm not coming back for you)
I got to go, I gotta, gotta leave
No more, I can't do it no more,
I can't do it no more.
I got to go, so I gotta go, I got to go,
I can't do it no more.
