You keepin on a holdin',  
A holdin' on a keepin,  
No giving into taking more but still still feedin',  
You're clearly disturbed,  
All you want is allegiance  
Hear them what you saw  
You hear them what you saw  
You hear them what you saw  
You hear them with believin'  
Oh holy holy water washing over the soul

Collecting all the people you love to sing you a song  
Even if they stick to humming  
Holding on a song to see them  
When you're really sick a sick a sick of love  
Leaving with their heart  
To shape them within  
Even if they stay to running  
Hold'em on the soul, believing  
Till you wanna stick a stick a stick to love

When you went down, the men came callin'  
Changing to stone as you wept from fallin  
When you went down, the men came callin'  
Speaking in tongues we've all been summoned.  
Ride, you wait to hug the shoal, you hate the thought  
you're so so  
You seem so dark to cry...
