Poison Ivy  
Better condition than I'd be  
Hook me to an IV  
While I whisper, "Why me?"

In the freezer  
Your words give me seizures  
And if we take a breather  
We'll break up and be hurt

I won't let you buy cigarettes  
But I'll let you by with regrets  
One thing I'll find a sure bet  
A caged bird will fly is she's left  
And I'll try not to cry  
Your fingers dry my eyes  
A memory I'll never forget

I've been wronged  
With little defense  
And I'll sing a song  
Of inconsequence  
And my days  
With you are numbered  
And I'll be amazed  
If we see another

I won't let you buy cigarettes  
But I'll let you by with regrets  
One thing I'll find a sure bet  
A caged bird will fly if she's left  
And I'll try not to cry  
Your fingers dry my eyes  
A memory I'll never forget

So now you've gone way away  
Say that would be the best thing  
Now I fear I'm wrong or at least that's what my heart is  
confessing  
Cause I miss you  
And I wish you

Were someone that I could forget  
Cause I miss you  
And I wish you  
Were not number one on my list, my list of regrets  
Now, I'm broken up  
Because we've broken up  
It's all a big what if  
What if I'd spoken up  
For what I wanted

Poison Ivy  
Better condition than I'd be  
Hook me to an IV  
While I whisper, "Why me?"
