The wind did blow across the valley  
So we can run under illusion  
This one dream I see it's true  
the caged bird sings the blues for you  
This one dream I see it's true  
the caged bird sings the blues for you  
I know where we can fly  
Into, into thin air something to believe or beware  
Into thin air something to believe or beware  
Into thin air  
Hold on  
I know where we can fly  
Hold on  
Hold hold hold hold on on on on  
Hold hold hold hold on on on on  
Oh someway  
To break the cage and route the rage to love, love  
Oh for so many nights  
A prayer to breach that star you'll reach tonight  
Into, into thin air  
something to believe or beware  
Into thin air, no light despair  
Into thin air, something to believe  
Hold on hold on  
It's all a dream it seems to feel the air you breathe  
There's so much needing, we are believing  
It's all a dream it seems to feel the air you breathe  
There's so much needing, we are believing  
It's all a dream it seems to feel the air you breathe  
There's so much needing, we are believing  
It's all a dream it seems to feel the air you breathe  
There's so much needing, we are believing  
Hold hold hold hold on on on on  
Hold hold hold hold on on on on
