Even now in Heaven
There were Angels carrying savage weapons

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide

Does our rule benefit the earth?
Does it help the grass to grow? The sun to shine?
Is this darkness in you too?
Have you passed through this night?

Run, run, run, but you sure can't hide

Where you're going, you're not coming back from

Run, run, run, but you sure can't hide

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide

This great evil, where's it coming from?
How'd it steal into the world?
Who's doing this? Who's killing us?
Mocking us with the sight of what we might have known

Run, run, run
Run, run, run

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide

(An eye for an eye)
Are you righteous?
(A tooth for a tooth)
Kind?
(Run, run, run but you sure can't hide)
Does your confidence lie in this?

(An eye for an eye)
Are you loved by God?
(A tooth for a tooth)
Do you imagine your suffering's will be lost?
(Run, run, run, but you sure can't hide)
Because you loved goodness, truth?

An eye for an eye
A tooth for a tooth
Run, run, run, but you sure can't hide
Run, run, run, but you sure can't hide

What are you to me?
