Hold my hand
I need you now
Slow me down
I don't know how

Hold my hand
I need you now
Slow me down
I don't know how

Are you living the feeling
The highs are they worth seeking
Nothing like believing
Are your drugs healing

Hold my hand
I need you now
Slow me down
I don't know how

Hold my hand
I need you now
Slow me down
I don't know how

Are you really living
Or do you seek loving
Are you happy being
Or do you search for meaning

Are you ever asking
Questions they need answering
You're not really hearing
You really need releasing

A million pieces broken
A million secrets unspoken
A million pieces broken
A million secrets unspoken

Hold my hand
I need you now

Slow me down
I don't know how

Hold my hand
I need you now
Slow me down
I don't know how

Secrets everywhere
Secrets everywhere
Secrets everywhere
Secrets everywhere
