(feat. Autolux)

We're all getting so tired of you  
The things you say  
The things you do

Oh please just follow your great plan through  
We've all had it  
We've had it  
We've had it with you

Home sick with some imaginary flu  
You wanna get drafted  
We wanna get seen

Oh please just follow your great plan through  
We've all had it  
We've had it  
We've had it with you

Trying to feel good

We all lost our hearts  
Trying to feel good  
We all lost our hearts  
Trying to feel good

Pa-pa-pa-pa-pa-pa...

We're all getting so tired of you  
The things you say  
The things you do

Oh please just follow your great plan through  
We've all had it  
We've had it  
We've had it with you

We all lost our hearts

We all lost our hearts  
Trying to feel good

We all lost our hearts  
We all lost our hearts  
Trying to feel good
