Can you feel me  
When I think about you  
With every breath I take  
Every minute  
No matter what I do  
My world is an empty place

Like I've been wandering the desert  
For a thousand days  
Don't know if it's a mirage,  
but I always see your face, baby

I'm missing you so much  
Can't help that I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
a day without you is like a year without rain

The stars are burning  
I hear your voice in my mind  
Can't you hear me calling?  
My heart is yearning  
Like the ocean that is running dry  
Catch me I'm falling

It's like the ground is crumbling underneath my feet  
(Won't you save me?)  
There's gonna be a monsoon  
When you get back to me, oh oh baby

I'm missing you so much  
Can't help that I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain

So let this drought come to an end  
And make this desert flower again  
I'm so glad you found me, stick around me

Baby, baby, oh

It's a world of wonder with you in my life  
So hurry baby, don't waste no more time  
I need you here,  
I can't explain  
But a day without you is like a year without rain

I'm missing you so much  
Can't help that I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
a day without you is like a year without rain
