Who's gonna love you  
Who's gonna take my place  
And stand by your side  
Kiss you and hold you  
Console you when you cry

I'll always love you, I know  
Baby, don't go

Come closer, cara cara mia  
Cara cara mia, love is all we need  
I swear I'll never gonna leave you  
Cara cara mia, you're the one for me  
When someone loves like I do  
Dreams can come true  
So tell me, tell me now  
Oh, cara cara mia, cara cara mia how  
Can you leave me now

Make me believe you  
So hard for me to  
Understand what went wrong  
I've been so certain  
Our love was always strong

Baby, we can't move apart  
You're breaking my heart

Come closer, cara cara mia  
Cara cara mia, love is all we need  
I swear I'll never gonna leave you  
Cara cara mia, you're the one for me  
When someone loves like I do  
Dreams can come true  
So tell me, tell me now  
Oh, cara cara mia, cara cara mia how  
Can you leave me now

We can be happy again  
Don't you feel that  
It's burning inside, burning inside

We can't give up on each other  
I want us to try  
Before we say goodbye

Come clo-ser, cara cara mia  
Cara cara mia, love is all we need  
I swear I'll never gonna leave you  
Cara cara mia, you're the one for me  
When someone loves like I do  
Dreams can come true  
So tell me, tell me now  
Oh, cara cara mia  
Can you leave me now  
Cara cara mia  
Can you leave me now
