Pure, marked, dangerous
Oh what a rush
Pose like stars for us
(Like stars for us)
Perfect radio hits
Obsessive chicks
Proud synthetic licks
(Synthetic licks)

Oh, oh-oh
My heart is beating
The fear in me is leaving
Heavenly breathing
But oh, oh-oh
It's my ambition
To spread my religion tonight

You wanted a show
Then you can let go
I can make you hot hot
I am made of pop pop
You wanted a show
This is my home
I can make you hop hop
I am made of pop pop
My kings and queens
Are speaking through me
Got my degree
The big P-O-P
Chock, chock
I will never stop stop
I am made of pop pop

Place is packed tonight
Observe the light
Play, play, play it right
(P-p-play, play it right)
Hot and furious
It's here for us
This is fabulous
(It's fabulous)

Oh, oh-oh
My heart is beating
The fear in me is leaving
Heavenly breathing
Oh, oh-oh
It's my ambition
To spread my religion tonight

You wanted a show
Then you can let go
I can make you hot hot
I am made of pop pop
You wanted a show
This is my home
I can make you hop hop
I am made of pop pop
My kings and queens
Are speaking through me
Got my degree
The big P-O-P
Chock, chock
I will never stop stop
I am made of pop pop
(I am made of pop)
I am made of pop pop
P-p-pop pop

I wanted a home
I wanted to grow
Now I've found what I've been looking for
This is my heart
Inside of the arks
Turned my life to one hell of a show

You wanted a show
Then you can let go
I can make you hot hot
I am made of pop pop
You wanted a show
This is my home
I can make you hop hop
I am made of pop pop
My kings and queens
Are speaking through me
Got my degree
The big P-O-P
Chock, chock
I will never stop stop
I am made of pop pop
