You are fine  
You are sweet but I'm still a bit naive with my heart  
When you're close I don't breathe  
I can't find the words to speak  
I feel sparse

But I don't wanna be into you if you're not looking for  
true love  
Oh  
Oh  
No  
I don't wanna start seeing you if I can't be your only one  
So tell me

When it's not alright  
When it's not okay will you try to make me feel better  
Will you say alright  
(Say alright)  
Will you say okay  
(Say okay)\*  
Will you stick with me through whatever or run away  
(Say that it's gonna be alright)  
(That it's gonna be okay)  
Say okay

When you call I don't know if I should pick up the phone  
every time  
I'm not like all my friends who keep calling up the boys  
I'm so shy

But I don't wanna be into you if you don't treat me the  
right way  
See I can only start seeing you if you can make my  
heart feel safe  
(Feel safe)

When it's not alright  
(Not alright)  
When it's not okay will you try to make me feel better  
(Not okay)  
Will you say alright

(Say alright)  
Will you say okay  
(Say okay)  
Will you stick with me through whatever or run away  
(Say that it's gonna be alright)  
(That it's gonna be okay)  
(Don't run away)  
(Don't run away)

Let me know if it's gonna be you  
Boy you've got some things to prove  
Let me know that you'll keep me safe  
I don't want you to run away so let me know that you'll  
call on time  
Let me know that you'll help me shine  
Will you wipe my tears away  
Will you hold me closer and safe

When it's not alright  
When it's not okay will you try to make me feel better  
Will you say alright  
(Say alright)  
Will you say okay  
(Say okay)  
Will you stick with me through whatever or run away  
(Say that it's gonna be alright)  
(That it's gonna be okay)  
Say okay  
(Don't run away)  
(Don't run away)  
Yeah  
Yeah  
(Will you say okay)

(Say that it's gonna be alright)  
(That it's gonna be okay)  
(Don't run away)  
Will you say okay  
(Say that it's gonna be alright)  
(That it's gonna be okay)  
(Don't run away)
