In hell, we will all burn brightly
Bank hours to turn our lead to gold
Blue collar man, tread lightly
Blue collar baby, gonna dance, gonna do what you're
told

Oh, our other house is a mansion
Just livin' in this one until it gets stole
Oh, yeah

When the river breaks
And these palaces, they flood
Of the lives it takes, you're the only one I love
Go on, give me some ground to shake
And a zero orchestra

In hell, we will all burn brightly
Having been there, man, I wish I didn't know

Oh, my other self is a mansion
Just living in this one until it goes cold
Oh, yeah

When the river breaks
And these palaces, they flood
Of the lives it takes, you're the only one I love
Go on, give me some ground to shake
And a zero orchestra

A zero orchestra, a zero orchestra
A zero orchestra, a zero orchestra
A zero orchestra, a zero orchestra

Oh, yeah
