"Hard To Take"

It was all waste of time
Why am i calling you for?
I really thought we could
last forever
last forever
last forever
But life goes on
Loving you is hard to take
But life goes on
Loving you is a heart break
When I thought you were all mine
You're the one I lived for
Why could we just
Last Forever
Last Forever
Last Forever
But life goes on
Loving you is hard to take
But life goes on
Loving you is a heart break
Life goes on and on and on and on
Life goes on and on and on and on
But life goes on
Loving you is hard to take
But life goes on
Loving you is a heart break
But life goes on
Loving you is hard to take
But life goes on
Loving you is a heart break!
