Shooter, there's no need to feel down
I said, Shooter, pick your mag off the ground
I said, Shooter, it's time to try a new stage
But this time just take it easy

Shooter, are you ready for fun?
I said, Shooter, stand-by with you gun
I said, Shooter, hey there, that was the Beep
Are you deaf or are you dreaming?

[refrain 1]
Bang! Bang! Bang! Bang! Bang!
It's fun to shoot with the IPSC
It's fun to shoot with the IPSC

We have paper and steel
We have swingers and not
Hey there, come on and take some shots
[/refrain 1]

It's fun to shoot with the IPSC
It's fun to shoot with the IPSC

You can make some new friends
From all over the World
There's just no other sport like this

Shooter, are you listening to me?
I said, Shooter, what do you want to be?
I said, Shooter, making Master is glee
But you got to know this one thing!

No-one does it all by themselves
I said, Shooter, put your pride on the shelf
And just come here, to the I-P-S-C
I'm sure we can help you today

Bang! Bang! Bang! Bang! Bang!
It's fun to shoot with the IPSC
It's fun to shoot with the IPSC

We have everything for you to enjoy

You can chill with the girls and boys

[refrain 2]

It's fun to shoot with the IPSC

It's fun to shoot with the IPSC

Have a bundle of fun

Just by shooting your gun

Then cry in your beer when done

[/refrain 2]

Shooter, I was once in your class

I said, I was, so damn easy to pass

I saw no way, to get out of my rut

I was just so close to quitting

That's when someone came up to me

And said, Shooter, come with me to the range

There's a sport there, called the I-P-S-C

They can start you back on your way

[refrain 1]

[refrain 2]
