Seja is sister, but said like :my dear, sweet sister

Nemoj sestro da zalis svog brata
(feel sorrow for your brother)
"no one opens the door to me"

2x

I am ill, my dear sister
I've gone far away from me

2x

instead of your arms
I am touching mine
sister, my dear little sister, my heart weeps

Nemoj sestro da zalis svog brata
niko meni ne otvara vrata

2x

You've gone in a foreign land
your brother is now lying in bed

x2

instead of your arms
I am touching mine

sejo sestrice place srce moje
