(Raul Malo)

We spent the night in a hobo town  
Like a pair of runaways  
We lit a fire and sang the songs  
We learned from yesterday.

Settled down and built a house  
With our own sweatin' hands  
What happened next I'll never know  
Or never understand.

Finished with my working day  
And headed straight for home  
I looked inside the bedroom door  
And you were not alone.

Well, I hope you find a better way  
To get through my front door  
The roads you take don't let you see  
I don't love you anymore.

And if you find a broken heart  
Somewhere along the way  
Don't you dare pick it up  
It'll mend itself someday.

--- Instrumental ---

You thought my life was over now  
Well honey, you thought wrong  
I found myself someone to love  
Who'll love me all night long.

All the things you left behind  
I threw them all away  
You never cared enough about  
The things I had to say.

Well, I hope you find a better way  
To get through my front door

The roads you take don't let you see  
I don't love you anymore.

Well, I hope you find a better way  
To get through my front door  
The roads you take don't let you see  
I don't love you anymore...
