Please lock me away
And don't allow the day
Here inside where I hide
With my loneliness
I don't care what they say
I won't stay in a world without love.

Birds sing out of tune
And rain clouds hide the moon
I'm okay here I'll stay
With my loneliness
I don't care what they say
I won't stay in a world without love.

So I wait and in a while
I will see my true love smile
She may come I know not when
When she does I know
So baby until then
Lock me away
And don't allow the day
Here inside where I hide
With my loneliness
I don't care what they say
I won't stay in a world without love.

So I wait and in a while
I will see my true love smile
She may come I know not when
When she does I know
So baby until then
Lock me away
And don't allow the day
Here inside where I hide
With my loneliness
I don't care what they say
I won't stay in a world without love.

I don't care what they say
I won't stay in a world without love.
I don't care what they say

I won't stay in a world without love...
