(Bruce Springsteen)

I got a dollar in my pocket, there ain't a cloud up above
I got a picture in a locket that says baby I love you
If you didn't look then boys, then fellas don't go lookin'
now
Well, here she comes a walkin', all that heaven will
allow.

Say hey there Mr Bouncer now all I wanna do is dance
But I swear I left my wallet back home in my working
pants
Come on Slim, slip me in man, I'll make it up to you
somehow
I can't be late, I got a date with all that heaven will
allow.

Rain and storm and dark skies, well, now they don't
mean a thing
If you got a girl that loves you and who wants to wear
your ring
So come on Mr. Trouble we'll make it through you
somehow
We'll fill this house with all the love, all that heaven will
allow.

--- Instrumental ---

Rain and storm and dark skies, well, now they don't
mean a thing
If you got a girl that loves you and who wants to wear
your ring
So come on Mr. Trouble we'll make it through you
somehow
We'll fill this house with all the love, all that heaven will
allow.

Now some may wanna die young man, young and
gloriously
Get it straight now mister, hey buddy that ain't me
'Cause I got something on my mind that sets me

straight and walkin' proud
And I want all the time, all that heaven will allow.

And I want all the time, all that heaven will allow...
