(Raul Malo - Al Anderson)

I can't sleep a wink anymore  
Ever since you first walked out the door  
Then I just started drinking to forget  
But I don't think the worst has happened yet.

All you ever do is bring me down  
Making me a fool all over town  
They all wonder why I wear a frown  
That's 'cause honey, all you do is bring me down.

--- Instrumental ---

It's funny how my whole world fell apart  
I think I saw it coming from the start  
I tried to tell myself that you'd be true  
But I expected way too much of you.

All you ever do is bring me down  
Making me a fool all over town  
They all wonder why I wear a frown  
That's 'cause honey, all you do is bring me down.

--- Instrumental ---

All you ever do is bring me down  
Making me a fool all over town  
They all wonder why I wear a frown  
That's 'cause honey, all you do is bring me down.

That's 'cause honey, all you do is bring me down.  
Honey, all you ever do is bring me down.  
Two, three, four...

--- Instrumental to fade ---
