(Raul Malo)

In the years that knew her
I thought I told her so many times
Just how much I have loved her
I couldn't even say goodbye.

She sleeps in her own darkened bedroom
Tryin' to wake her up on Sunday night
An empty stare and a handshake
Then she closed her eyes to die.

I wish I had talked to her
I wish I had walked with her
Oh Lord, how I'm missing her
All I have to do is cry.

--- Instrumental ---

Now I found myself trying to
Relive all the days gone by
I've done wrong now I'm paying
For another lonely life.

I wish I had talked to her
I wish I had walked with her
Oh Lord, how I'm missing her
All I have to do is cry.

--- Instrumental ---

I wish I had talked to her
I wish I had walked with her
Oh Lord, how I'm missing her
All I have to do is cry.

Why couldn't I ever show her
All the things that she longed to see
It's too late now it's all over
There's nothin' left for me to be...
