(Lorenz Hart, Richard Rodgers)

Blue moon, without a love of my own.

Blue moon  
Is someone standing alone?  
Without a dream in my heart  
Without a love of my own.

Blue moon  
You're just what I was there for  
You heard me saying a prayer for  
Someone I really could care for.

Without a love of my own.

Blue moon  
Is someone standing alone?  
Without a dream in my heart  
Without a love of my own.

Without a love of my own.

Blue moon, without a love of my own.

La luna...Esta en el cielo..  
Con todas las estrellas..  
Riendo muy remenante?

Without a love of my own  
Blue moon  
Without a love of my own...
