(Raul Malo)

You walk on higher ground
Like the holy ghost I haven't found
The mighty words you speak
They bounce off the strong but are heard by the weak
Their pennies just keep on coming in
Their spirits are still soaking in their sins
Some say they're ever born again.

See what you can find (at the end of the line)
There's no end in time (at the end of the line)
There's no piece of mind (at the end of the line.)

The time has finally come to relinquish the throne that
doesn't belong
For only you can tell if the pardon will come or will you
burn in hell
You tried to recover dirty stones from love filthy games
played on the road
Now it is you who stands alone.

See what you can find (at the end of the line)
There's no end in time (at the end of the line)
There's no piece of mind (at the end of the line.)

--- Instrumental ---

Their pennies just keep on coming in
The spirit's still soaking in his sins
Some say they're ever born again.

See what you can find (at the end of the line)
There's no end in time (at the end of the line)
There's no piece of mind (at the end of the line.)
You can't run, you can't hide and there's no piece of
mind.

--- Instrumental ---

No, no, no, at the end of the line

At the end of the line, at the end of the line...
