(Harlan Howard - Buck Owens)

They just don't know how lost I feel without you  
My teardrops never see the lights of day  
I laugh and joke each time they talk about you  
But if they heard my heart they'd hear it say.

Excuse me I think I've got a heartache  
There's an aching deep inside and it just won't be  
denied  
Excuse me I think I've got a heartache  
And I'd better say goodbye before I cry.

--- Instrumental ---

I guess it's pride that makes me hide my sorrow  
I live a lie in all I do and say  
My lips may lie and paint a bright tomorrow  
But if I told the truth I'd have to say.

Excuse me I think I've got a heartache  
There's an aching deep inside and it just won't be  
denied  
Excuse me I think I've got a heartache  
And I'd better say goodbye before I cry.

And I'd better say goodbye before I cry...
