Hey, hey, good lookin', whatcha got cookin'
How's about cookin' somethin' up with me
Well, I'm free and ready so we can go steady
How's about keepin' steady company?

I got a hot rod Ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancin's free
So if you wanna have fun come along with me.

I said hey, good lookin', whatcha got cookin'
How's about cookin' somethin' up with me?

--- Instrumental ---

I'm gonna throw my datebook over the fence
And find me one for five or ten cents
I'll keep it till it's covered with age
Because I'm writin' your name down on every page.

I said hey, good lookin', whatcha got cookin'
How's about cookin' somethin' up with me

--- Instrumental ---

I got a hot rod Ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancin's free
So if you wanna have fun come along with me.

I said hey, good lookin', whatcha got cookin'
How's about cookin' somethin' up with me?

How's about cookin' somethin' up with me?
How's about cookin' somethin' up with me?...
