(Raul Malo and Kostas)

The sun is always shining wherever you go
And there's an angel watching over you I know
You get away with everything but not very far
That's just what you are.

Everybody knows you in the neighborhood
And sometimes what they say isn't always that good
You're not misbehavin', you're misunderstood
But we still love you.

Hey Pizzirico, bet you know that your mama loves you
Pizzirico, bet you know that your daddy does too
Pizzirico, wherever you go, whatever you do
Pizzirico, your dreams will come true.

You and all your little friends are runnin' around
Gettin' into trouble never brings you down
You have been my happiness right from the start
The joy of my heart.

Hey Pizzirico, bet you know that your mama loves you
Pizzirico, bet you know that your daddy does too
Pizzirico, wherever you go, whatever you do
Pizzirico, your dreams will come true.

Hey Pizzirico, bet you know that your mama loves you
Pizzirico, bet you know that your daddy does too
Pizzirico, wherever you go, whatever you do
Pizzirico, your dreams will come true.

Hey Pizzirico, bet you know that your mama loves you
Pizzirico, bet you know that your daddy does too
Pizzirico, wherever you go, whatever you do
Pizzirico, your dreams will come true.

Pizzirico, your dreams will come true.
Pizzirico, your dreams will come true.
Pizzirico, your dreams will come true...
