(Raul Malo)

I heard you say to me there were no guarantees
And that the world could make you cry
And then you let me go but I still wanna know
Tell me why, tell me why
Maybe it's destiny, maybe it's just for me
Tell me why, oh why.

--- Instrumental ---

Darlin,' you let me go but I still wanna know
Tell me why, tell me why
Oh, won't you tell me why
Darlin', you let me go but I still wanna know
Tell me why, tell me why
Oh, won't you tell me why
Maybe it's destiny, maybe it's just for me
Tell me why, oh why.

--- Instrumental to fade ---
