(Raul Malo - Kostas)

There goes my heart breaking in two
There go my eyes crying over you
My arms don't want for us to part
So when you go here come the blues there goes my heart.

You told me once we'd never part
And you loved me with all your heart
But now these words of love you're going to erase
You've found somebody new who wants to take my place.

There goes my heart breaking in two
There go my eyes crying over you
My arms don't want for us to part
So when you go here come the blues there goes my heart.

--- Instrumental ---

I'm standing on a bridge that's burned
It's just a lonely lesson learned
To see you walk away with him hurts me so
This fool who loves you doesn't want to let you go.

There goes my heart breaking in two
There go my eyes crying over you
My arms don't want for us to part
So when you go here come the blues there goes my heart.

So when you go here come the blues there goes my heart...
