"School Anthem"

Visit "[School Anthem](#)" on MotoLyrics.com

It's true most of the time in class I was tempted to "Fool
Around Man"

(laughs)

That's what it was, yeah... You'd be bored and you'd
figure

"Well why not deprive someone else of their education"

Verse 1:

I may be kidding school's just babysitting

I knew girls in AP classes knitting, so tedious

Homework is tell major lies or plagiarize
encyclopedias, so boring

Fresh-faced teachers want to tickle 'em

but a test-based curriculum excludes exploring

I'll let a mystery gas out of my blistery ass

Just to disrupt the misery of history class

And to entertain your tender brain

When your pain is the same as a fender bender with a
train

Analyze the engines if you gotta go to the
rhododendrons

Cut class then serve detentions

Say toodle-oo to the trimmed poodles who

Will grow up to be the adults you now hate, I know
what's futile too

Like throwing a spear at Choate, I'm not here to gloat

I want to be used as your yearbook quote

Abolish class rank, pour sugar in its gas tank

Weighted grades really yank my ass crank

And stop up my leak hole

English and autoshop should be equal

Anyway an A is a weak goal

So stultifying, It's hard to hold off dying

I'm spying on a lobbyist, It's obvious

Double teachers' salaries and hire smarter

Discard the fartars who only inspire fire starters

What is the meaning of C.L.A.S.S.?

Is it a Conspiracy Levelled At Sleepy Students trying to
pass?

"Oh my, What a disgrace..."

Verse 2:

Make like a whirlybird and graduate early, word
Or pull all the stops out
Make the proprietors of a mom and pop shop's eyes
pop out
And drop out
When I yawn it's hard to hold in drool, drawn dreams of
a molten pool
Of magma rock raining Ragnarok
On the whole damn school
Scenes of the old and fool-ish and possibly cruel
Administrators being told the Golden Rule
While rolled in stool
Superficial superintendant
Repainting the facade and bannister
I'm going to switch your contact lens vial
for a Drosophila Melanogaster cannister:
I found college awkward another teacher, same old
chalkboard
I felt I was shifting bawkward when I expected to shoot
forward
Could I possibly have been more bored?
Realistically, a stressful sideways
Still skipping readings, still waiting for Fridays
School was so damn boring
It left me colder than the o-ring
Which would not expand and destroyed the USS
Challenger in 1986
An overhaul is long overdue
I'm 0 for 2, If so are you
Catch the fever from Wallace Shawn
To destroy school 'til all is goooooooooone
"He was the first one to get a Hawaiin nose-humming"
"Analyze the results"
