Fly Raven, fly
Across the sky

Allfather Odin! Embrace my soul
And give me with wisdom, wisdom of old
...Wisdom of old

Fly Raven, fly
Fly Raven, fly
Across the sky

Allfather Odin! Behold my faith
Oh give me the skills of life, and guide my way
...Guide my way

Fly Raven, fly
Fly Raven, fly
Across the sky
Fly Raven, fly

Oh give me strength to carry on
Father of all
...Odin!

Fly Raven, fly
Fly Raven, fly
Across the sky
Fly Raven, fly
Fly Raven, fly
Across the sky
