"Rise Of The Maya Warriors"

Over the mountains
We travelled far
Over the Sierra Madre Occidental

We have come to join
The Rise of the Maya warriors
The rise of the Maya warriors

Join the rebellion
And the ancient rites
Central America arise!
The force of nature will win
Let the drums of war begin...

We have come to join
The Rise of the Maya warriors
The rise of the Maya warriors

We have come to join
El ascenso de los guerreros Mayas
El ascenso de los guerreros Mayas
