Is there something I could say to make you change  
your mind  
Never thought I had to write this song (I was wrong)  
But when I see you on the streets I see it in your eyes  
Your love is gone, my long was gone

I hope you find the things you said you need  
I'm just dying here 'cause it's not me

Do you think about me, smile without me,  
I can't stand this pain without you  
Did somebody steal your heart away?  
Do you love without me, cry without me  
Do you feel this pain that I feel  
You're the only one to mend my heart

Everybody give a smile and says to let you go  
I don't know if I can be that strong  
When you calls me on the phone it hurts to say  
goodbye  
My friend is gone, 'cause my love was wrong

I hope you find the things you need  
I've been crying here 'cause it's not me

Do you think about me, smile without me,  
I can't stand this pain without you  
Did somebody steal your heart away?  
Do you love without me, cry without me  
Do you feel this pain that I feel  
You're the only one to mend my heart

Did you feel the way you told me  
Did you cry this tears or were you joking?

Tell me baby  
Do you think about me, smile without me,  
I can't stand this pain without you  
Did somebody steal your heart away?  
Do you love without me, cry without me  
Do you feel this pain that I feel

I guess somebody stole your heart from me
