(Matt Thomas/The Mavis's - Mushroom)

Roll like thunder
small splinter underneath
your pale painted skin
don't let anyone else in
oh!
Roll like thunder
small splinter underneath
your pale painted skin
don't let anyone else in
And you said that I
let it be a lesson
come and take and more
or less you lose some
I will stay here in your imagination,
your imagination
your imagination
Where is the face I love
twisting into knots and pain?
you can't sleep forever what
if you miss your passing train?
And you said that I

let it be a lesson
come and take and more
or less you lose some
I will stay here in your imagination,
your imagination
your imagination
And you said that I
let it be a lesson
come and take and more
or less you lose some
I will stay here in your imagination,
your imagination
your imagination
Roll like thunder
small splinter underneath
your pale painted skin
don't let anyone else in
Roll like thunder

small splinter underneath
your pale painted skin
don't let anyone else in
Oh..
